Versant Capital Management Selects INDATA IMS For Front to Back Office

Firm to Utilize IMS for Trade Order Management, Portfolio Accounting, Performance, Billing & CRM

Greenwich, CT, January 10, 2008 – INDATA®, a leading industry provider of software solutions for buy-side firms including trade order management (OMS), compliance, portfolio accounting and front-to-back office announced today that Versant Capital Management, based in Phoenix, AZ, has selected INDATA IMS for their front to back office needs.

ABOUT VERSANT CAPITAL MANAGEMENT

Versant Capital Management, Inc. is an independent private investment manager. With offices in Phoenix, Arizona and Saint Paul, Minnesota, the firm develops and manages highly tailored global investment portfolios for select individuals, families and organizations.

ABOUT INDATA®

INDATA® is a leading industry provider of software solutions for buy-side firms including trade order management (OMS), compliance, portfolio accounting and front-to-back office. INDATA's flagship product suite, IMS, utilizes an industry standard relational database platform (Microsoft® SQL Server™ 2005) that results in a real-time, modular, and open architecture solution. IMS consists of functional modules for portfolio management and reporting, pre and post trade compliance, trade order management, performance measurement & attribution, web-enabled CRM, and billing. Implementation of the system provides buy-side firms with straight-through processing (STP) and enterprise integration.

INDATA has provided the investment community with the most timely and accurate transaction-based portfolio performance analysis products since inception in 1968. The company's ASP product, INDATA Online (IOL), is an Internet-based attribution and performance reporting solution for institutional money managers that provides superior attribution, portfolio reporting, and analytical capabilities.
