

FOR IMMEDIATE RELEASE

INDATA RELEASES INDUSTRY WHITE PAPER FOR MANAGING COMPLIANCE IN THE NEW REGULATORY ENVIRONMENT

GREENWICH, CT — MARCH 31, 2011 -- [INDATA](#), a leading industry provider of SaaS (Software as a Service) for buy-side firms including trade order management (OMS), compliance, portfolio accounting and front-to-back office today announced the release of an industry white paper for managing compliance in the new regulatory environment.

Investment management firms face a challenging environment. While market conditions are improving, greater demands for transparency created by the financial crisis have resulted in a new regulatory regime that promises to significantly impact the way investment management firms handle their daily activities. The white paper is designed to assist firms in assessing their compliance capabilities and presents ways compliance can be used as an asset to attract business. The white paper can be downloaded at www.indataipm.com/whitepaper

About INDATA

INDATA® is a leading industry provider of SaaS (Software as a Service) for buy-side firms, including trade order management (OMS), compliance, portfolio accounting and front-to-back office. INDATA's iPM – Intelligent Portfolio Management® technology platform allows end users to collaborate in real-time across the enterprise. The company's mission is to provide clients with cutting edge technology products and services to increase operational efficiency while reducing risk and administrative overhead.

INDATA provides software and services to a variety of buy-side clients including asset managers, registered investment advisors, banks and wealth management firms, pension funds and hedge funds. Assets under management range from approximately \$25 million to over \$80 billion across a variety of asset classes (i.e. equity, fixed income, etc.) both domestic and international.
